Members present: Jeff Mills (Chair), Phil Berkenbile (Vice-Chair), Robert Franklin, Lela Odom, Scott Parks, Bob Stafford, John Wright

Members absent: Steven Crawford

Management team present: Susie Graves, Sherrie Schroeder, and Gloria Hamlin.

Others present: Linda Atkinson, Jean Cate, Leslie Williams, Scott Charlson, Nicki Watkins (K20 Center/OK-ACTS).

Call to Order: Chair Jeff Mills called the meeting to order at 1 p.m. and declared a quorum present. He welcomed new trustees Robert Franklin and Scott Parks and asked those present to introduce themselves.

Approval of Minutes: A motion was made by Lela Odom, seconded by Phil Berkenbile, and adopted by unanimous vote to approve the minutes of the July 16, 2012 Annual OETT Trustee Meeting.

Finance/Investment Committee -- Phil Berkenbile, Finance/Investment Chair, reported that the Finance/Investment Committee met just prior to the trustee meeting with Mike Dickinson and John Cardoza from BancFirst Trust and stated that OETT allocations are in compliance with investment policies. Berkenbile reported that investments are ahead of their benchmarks, with trailing 12 months return of 12.2%. Sherrie Schroeder called trustees attention to the quarterly financial reports including a graphic representation of trust assets and grants from inception to date, Statement of Financial Position and the Statement of Activities of the trust and reported total assets at 12/31/12 of $31,620,386. Since the spending policy no longer includes multi-year grantmaking, there will no longer be a need for the Projected Granting Cycle spreadsheet in the future. Phil Berkenbile reported that the
Finance/Investment Committee had reviewed and made slight modifications to the spending policy analysis prepared by the management team. The recommendation from the F/I Committee included Phase II equipment grants to 17 schools, Phase I allocation of $30,000, Sustaining Phase II awards of $10,000 and grant to the K20 Center of $510,000 to deliver professional development to all Phase II and Sustaining Phase II schools. Following discussion, a motion on behalf of the Finance/Investment Committee by Phil Berkenbile, and adopted by unanimous vote to approve the investment committee and financial reports and recommendations.

Audit Committee: John Wright, Audit Committee Chair, stated that the Luton & Company five year proposal had been circulated to the Audit Committee which recommended approval. A motion was made by John Wright, seconded by Lela Odom, and adopted by unanimous vote to accept the Luton & Company proposal for audit services for the next five years.

Administrative Management Contract: Susie Graves presented the Communities Foundation of Oklahoma administrative management report for renewal stating that no changes have been requested for the coming year. Following brief discussion, a motion was made by Lela Odom, seconded by Phil Berkenbile, and adopted by unanimous vote of the board to approve a one year extension of the administrative management contract with Communities Foundation of Oklahoma.

Evaluation: Gloria Hamlin, FMI’s Evaluation Associate, presented the following reports: 2011 Grantee Evaluation, 2006 sustaining Grant Evaluation (Tulsa Grissom Elementary and Wagoner Central Elementary) Phase II grants, and the 2008 “Look Back” Evaluation. Following her presentation and discussion, a motion was made by Lela Odom, seconded by Bob Stafford, and adopted by unanimous vote to extend Sustaining Phase II applications to Idabel Central Elementary, Newcastle Elementary, Hupfeld Academy at Western Village, Osage Hills School, Springer Public Schools, and Warner High School. Trustees engaged in discussion related to strategies focused on confirming grant implementation capacity in applicant schools and the correlation of grant review ratings in comparison to successful grant completion. Trustees recommended the addition of Sustaining Phase II Grant Awardees designation to the grant map and adding the evaluation reports to the OETT website.

K20 Center Professional Development: Jean Cate, reporting for Sharon Wilbur, Director of Phase I, reported that leadership seminars had been held in October and December of 2012 and that one Return to Leadership seminars had been held in the fall with another scheduled for Spring 2013. She also reported that Urban & Rural GEAR UP grants administered by the K20 Center are modeled after the OETT model. Leslie Williams, reporting for Phase II, stated that some 2013 Phase II schools began their professional development in May 2012 and that almost all site visits to schools have been completed. She reported that the K20 Center ILI had the largest attendance in the history of the event and that Graves, Koster, and Atkinson presented a session on on-line OETT grant application at ILI again this year. Lastly, she reported that the deadline for 2013 Phase II grants was February 4th and 41 applications have been received and are moving forward to the grant reviewer stage.

Open Meeting Requirements Related to Quorum: Graves reported that she had inquired of Lynn Rogers, OETT legal counsel, about the possibility of telecommunication participation by trustees at board meetings. Rogers researched the issue and forwarded an opinion stating that as long as OETT retains its policy of being governed by provisions of the Open Meeting Act, a quorum of the board must be physically present in one place at one time.
**New Business** – Graves reported that a change was being made in the consideration of the K20 Center contract renewal, stating that it had originally been scheduled for discussion at the July Annual Meeting but that it is more appropriately addressed at the May board meeting when the number of Phase II grant awards are finalized.

There being no further business, a motion was made by Phil Berkenbile, seconded by Lela Odom, and adopted by unanimous vote of the board to adjourn the meeting. Meeting was adjourned 2:27 p.m.

**Members present:** Jeff Mills (Chair), Phil Berkenbile (Vice-Chair), Robert Franklin, Lela Odom, Scott Parks, Bob Stafford, John Wright

**Members absent:** Steven Crawford

**Management team present:** Frank Merrick, Susie Graves, Sherrie Schroeder, Will Merrick, and Gloria Hamlin.

**Others present:** Linda Atkinson, Leslie Williams, Jean Cate, Scott Charlson, Nicki Watkins, Sharon Wilbur (K20 Center/OK-ACTS); Lynn Rogers

**Call to Order** – Chair Jeff Mills called the meeting to order at 1:00 p.m., welcomed trustees and guests, and declared a quorum present.

**Approval of Minutes** – Mills stated that a correction has been made to the minutes indicating that legal counsel Lynn Rogers was not in attendance at the February 14, 2013 meeting. A motion was made by Lela Odom, seconded by Bob Stafford, and adopted by unanimous vote to approve the corrected minutes of the February 14, 2013 OETT Trustee Meeting.

**Finance/Investment Committee:** Phil Berkenbile reported that the Finance/Investment Committee met with Mike Dickinson and Brad Zerger from BancFirst Trust just prior to the trustee meeting. At that meeting they reviewed the performance of investments and discussed the commentary and charts in the Market Overview section of the presentation book. During the investment presentation Brad Zerger reported market value of OETT investments at $33,383,497 as of 3/31/13 with 6.2% growth over the trailing 3 months ending 3/31/13 and an annualized return of 8.3% for last 3 years.

Berkenbile noted that since inception the OETT portfolio has earned over $19 million dollars and has distributed approximately $14 million. He reported that the committee also discussed the impact of making 18 rather than 17 grants in anticipation of the Grants Committee recommendation. The committee also reviewed and approved financial reports for the first quarter of 2013.

**Grants Committee** – Bob Stafford, Grants Committee Chair, reported that the Grants Committee met April 22nd following the grant team review on March 28th. He called trustees attention to the grantmaking charts on pages 7 and 8 of the meeting books and explained the financial impact of making one additional grant than in the grantmaking budget approved at the previous trustee meeting. He stated that the committee's recommendation to increase the number of grants was due to the fact
that five grants scored 4.0 and the committee felt strongly that all five should be awarded. Stafford explained that this would be a distribution of approximately 5.13%. A motion was made by Phil Berkenbile, seconded by Scott Parks, and adopted by unanimous vote to award 2013 Phase II Grants to Schools to applicants #1 through #18 as presented in blind format in meeting materials. A recommendation was made by the Grants Committee to designate #19 through #21 as alternates and recommended authority be given to the management planning team to determine the order of the two with the same rating if warranted; the recommendation was seconded by Lela Odom and adopted by unanimous vote. Leslie Williams explained the grants chart indicating the school levels and geographic regions represented by 2013 grant awards. The K20 team distributed two maps: one showing the 2013 grant schools and the other showing all 188 OETT funded schools since 2003. Grant summaries for each awarded application were also distributed to trustees.

Susie Graves reported that applications had been submitted from four of the six 2008 grant schools invited to apply for Sustaining Phase II awards. The grant planning team recommended funding two schools; both had experienced significant administrative and teacher turnover since their grant year and demonstrated great need for additional professional development to train new teachers. A motion was made by Phil Berkenbile, seconded by Bob Stafford and adopted by unanimous vote to award 2013 Sustaining Phase II grants to Central Elementary in Idabel and Springer Public Schools.

K20 Center Contract Renewal – Frank Merrick commended the K20 Center for their cooperation when budget adjustments were required in past years. He reviewed with trustees the current Modification No. 5 agreement with the University of Oklahoma and stated that approval is needed for the 2013-14 grant period totaling $540,000 which represents the $30,000 for Phase I and $510,000 for Phase II as included in the grantmaking budget approved by the board at the February 14th meeting. A motion was made by Bob Stafford, seconded by Lela Odom, and adopted by unanimous vote to approve the 2013-14 grant of $540,000 to the K20 Center.

2012 Annual Report – Will Merrick called trustees attention to the printed copies of the OETT annual report and stated that these are online at www.oett.org and have been mailed or emailed to appointing entities, corporation commissioners, former trustees, and all 170 grant schools.

New Business – Graves stated that she had been contacted by Ed Cook representing the Friends of the Capitol inquiring if OETT would like to purchase a commemorative paver. Trustees reaffirmed their commitment to funding technology grants to schools and no action was taken.

There being no further business, the meeting was adjourned 1:26 p.m.
